We, the Class of 1941, dedicate this volume to Mr. Myron Ray Tedrick, our coach, who as a loyal citizen and teacher of education, has cooperated with the school in every way, and whose efficiency and efforts have been keenly felt by all students.

AS THE CAMERA LOOKS IN ON CATLIN TOWNSHIP HIGH SCHOOL

Foreword...

Our duties and entertainment for this year have been completed successfully. To those who are to be reminded of their days at C. T. H. S., and to others who are interested in the activities of the school, the Annual staff leaves to you, in memory of our hard tasks and enjoyable times, the 1941

"Catlinean".

III ACTIVITIES

After the fall activities that were held out of doors, the student body found themselves busily engaged preparing for the coming winter events.

The F. H. A. and F. F. A. were reorganized, and met for their first time with a new staff of officers. The F. H. A. girls sold hot lunches every two weeks, making money for their organization. They also made their emblem for their new tan and green outfits. Each member of the F. F. A. purchased new blue suits on which they wore their emblem. Both organizations held interesting meetings once every month in which they tried to accomplish their tasks.

The Glee Clubs and Band met under the direction of a new teacher, Miss McClure. Due to her cooperativeness and under her leadership, our Glee Clubs and Band have made a name for themselves. Miss McClure was, also, responsible for the success of this year's operetta, "Jeanie." The School Board has purchased new uniforms for our band, in which they have made many successful appearances at the home basketball games.

Under the leadership and successful coaching of Mr. Tedrick and Mr. Keeney, our basketball and wrestling teams have made a good showing.

As well as the many school activities, the Faculty have set aside the first Monday of each month for their "Faculty Dinner." This is one evening which the faculty can spend without having to watch over a classroom of students.

The Juniors and Seniors have both been very successful in putting on their class plays. Following these two very important events, March ushered in the class tournaments, Athletic Banquet, and the beginning of Track Season.

IMPORTANT PARTS OF THE PICTURE ARE OUR BOARD OF EDU- CATION, PRINCIPAL AND FACULTY . . .

As Seniors we now have the chance to express our gratitude to Mr. Keeney who is responsible for the records of progress which Catlin High School has made. All his work and good understanding of the student body is very much appreciated.

The credit goes to our Board of Education for the hiring of our good teachers, our well-equipped building, and for supplying us with things needed to make our school term successful.

The teachers are to be complimented on their good understanding showed toward every student at all times. These teachers with their careful training and cooperation with the students have aided us in reaching our goal.

B O A R D

We are grateful to our Board of Education for their cooperation and fine spirit shown in helping our student body through their years of high school.

We have them to thank for our well-equipped school, which gives us so many advantages and opportunities. They are responsible for making our high school have a high ranking position among the many schools of this county.

"The Seniors of 1941" wish to thank the Board of Education for the privileges and opportunities, given by them, in helping us reach our goal during our four years in high school.

All that the Board of Education has done, and is still doing for us, is appreciated by the faculty and student body, as well as the Seniors.

*I hope your work
in C.T.H.S. is happy
and profitable
H. F. Keeney*

Mr. Keeney, has handled the job as principal of his alma mater very successfully, as his long and permanent record will testify. He has been a favorite with everyone because of his sense of humor, good understanding, and patience.

We owe most of the success of our extra curricular activities to his cooperation in anything we undertake.

Not only does he act as principal, but he also instructs in Chemistry and General Science.

His efficiency and enthusiasm as a wrestling coach has given Catlin High School a high ranking position with other schools of the country.

P R I N C I P A L

F A C U L T Y

HERMAN F. KEENEY—Principal, coach of our wrestling team, teacher of Chemistry, General Science, and Elementary Economics. Interested in all of our extra curricular activities.

MYRON R. TEDRICK—Coach of all athletics and Boys' P. E., teaches social studies. Lectures in his classes against Hitler. His favorite sport is hunting with his dogs.

MISS HELEN KEHLENBACH—Teacher of all Commercial subjects, coached a successful group of commercial teams. She enjoys hearing typists type in unison. Rearranged the library. Coached Senior play; their Advisor.

MISS MARTHA E. PARKER—Home Ec. and Girls' P.E. Instructor, F.H.A. Club Advisor. Her pet peeve is chewing gum. Voted most understanding and best liked lady teacher. Freshman advisor.

RALPH THOMAS—Agriculture instructor, Junior class, F.F.A. Club Advisor. Coached the Junior play successfully. His efforts brought a successful cornhusking contest to Catlin this year.

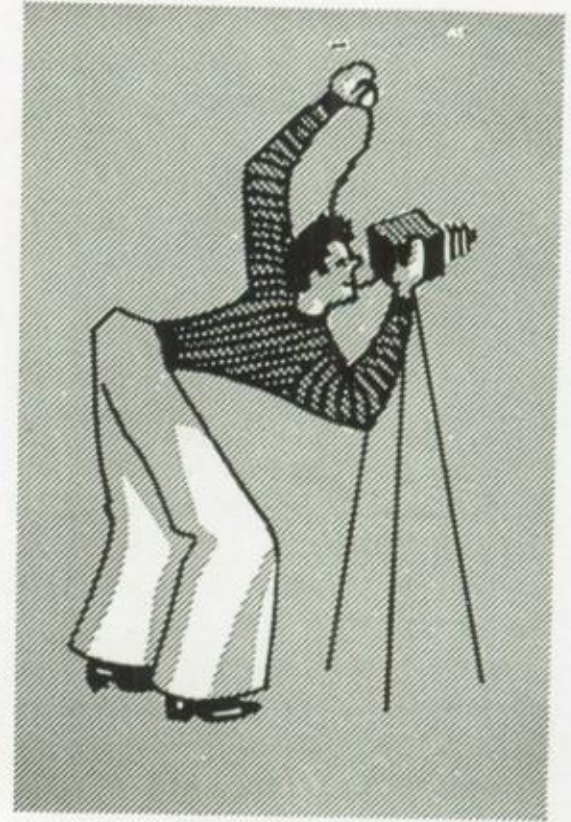

DANIEL BRAUTIGAM—English instructor, Sophomore class advisor. Gets to take care of students who get "little white permits" to enter his room for 40 minutes after school. Coached speech team with success.

BETTE McCLURE—Newcomer to faculty. Director of our band, Girls' and Boys' Glee Clubs. Operetta was a big success due to her efforts; the new Band uniforms have helped her influence Band members to do their best.

CHARLES BELL—Instructor of Mathematics and Industrial Arts. Sponsor of Catlinean this year, helped to make it a success. A newcomer to the faculty.

WE TURN THE CAMERA ON CLASSES

In the concluding pages of this, our yearbook, we turn the lens of our camera on our varied classes. Leading the procession, we see the familiar faces of our Seniors, soon to be absent from their old alma mater. The merry, illustrious Juniors follow closely behind, with the impertinent Sophomores trodding on their heels. At a safe distance, the down-trodden Freshmen follow meekly behind. Mix these numerous qualities and you have the ideal photographic subject, a Catlin student! Observe him in his succeeding activities! Note his happy countenance! His cheerful laugh and merry eyes! His carefree, yet studious manner! Unconsciously you murmur, "A likely lad, bound to succeed!" So, to set an example for our future fellow students, we record our activities; with due respect to those splendid examples of American man and womanhood, our instructors!

Senior Class History

In the fall of 1937, twenty-seven "wandering" freshmen entered high school. We started our first year off by electing Lee Louck, President; Loren Davis, Secretary-Treasurer; Mary Hawkins, Vice-President; Miss Rousch, Class Adviser. It didn't take us long to learn and before our Sophomore year, we were everything but green! A few were missing, but most of the old familiar faces were seen. A new student, Mary Williams, entered. This year we elected Mr. Brackney, Class Adviser; Jack Carrigan, President; Loren Davis, Vice-President; Paul Taylor, Secretary-Treasurer, and we took an active part in everything. Several of the boys made quite a name in athletics and finished second in the class tournament. The girls brought down honors for third place.

The following fall, twenty-three students returned to carry on as the "Mighty Juniors". Our officers were: Henrietta Barkman, President; Mary Hawkins, Vice-President; LaVonne Ferguson, Secretary-treasurer, and Mr. Brautigan, Class Adviser. Two new students, Dewitt Ellinwood and Elsie Turner, entered at the beginning of the school term, while Don Elliott and Helen Gluvicke left during the first semester. We successfully produced our play "M'Liss", and on May 24th, entertained the Seniors, faculty, and last but not least, ourselves, at the Wolford Hotel, at the annual Junior and Senior Banquet. Henrietta Barkman was chosen the Junior candidate for the carnival queen. Many members of the class were active in music as well as in athletics.

As Seniors, we put forth an effort to make this our most successful year of all. A new student, Jim Wall, entered. We elected Miss Kehlenback our adviser; Joe Pal, President; Dewitt Ellinwood, Vice-President; Ernest Day, Secretary-Treasurer. Much time was spent in making our last contribution to the school, The Catlinean. The lead in the operetta, "Jeanie", was filled by a Senior, LaVonne Ferguson, with Jim Wall and Dewitt Ellinwood in active parts. The talents of our class were again put into action in the Senior play, "Hobgoblin House". LaVonne Ferguson, elected cheerleader for second time, helped boost the team in which the seniors played an important part. We are very proud of our members in the band, and appreciate the two years Henrietta Barkman has performed as drum majorette with the school band. There are several more students in our class who have helped to make our class a success during our four years. Such people as Mary Hawkins, elected best citizen for the D.A.R. and a writer of 120-word shorthand; Mary Williams, baton twirler in the band; Dewitt Ellinwood, a speech representative and member of the band; Joe Pal, captain of the wrestling team; Paul Taylor, Jack Carrigan, Loren Davis, Lee Louck, Edward Holman, and Jim Wall are lettermen in athletics. Both Junior and Senior years the girls in the class have distinguished themselves at commercial contests. Our members in the Athletic Association were, President, Jack Carrigan; Vice-President, Lee Louck; Secretary-Treasurer, Mary Hawkins; Cheer Leader, LaVonne Ferguson.

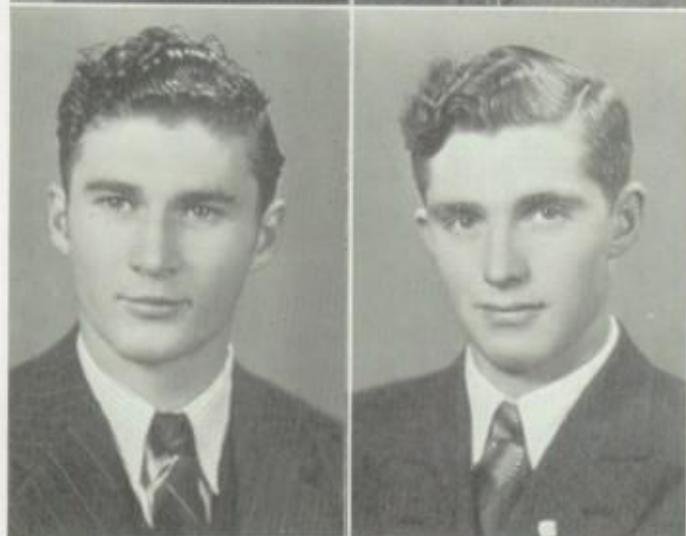

Baccalaureate services, Class Night, and Graduation brought our tasks and achievements to an end.

It seems that the Junior Class cannot be parted. They started in the Junior Class with 29 members, the same ones that they had when they were Sophomores.

A few changes took place in the officers from the year before. At their first class meeting they elected Joe Hipple, President; Audrey Gilliland, Vice-President; Jackie Pate, Secretary-Treasurer; and Mr. Thomas, Sponsor.

The Class presented the play "GAY" on the evening of December 17. The proceeds, which were very good, helped for the Banquet given to the Seniors.

The Juniors participated in about all activities that went on around and about the school. Juniors were seen in great numbers in the music department, Future Homemakers, Future Farmers, and all sports. They kept their names on the Honor Roll, some being at the top. Audrey Gilliland acted as a Cheer Leader. When anything was to be done the Juniors were always there to help do it.

In the fall of '40 the Sophomores came back for another year in C. H. S. with their spirits changed, but their faces were practically the same. Instead of being shy Freshmen, they were now Sophomores who had acquired the ability of "bossing" as was shown in the initiation of the wandering Freshmen.

A few were missing, but most of the ever mischievous faces were still to be seen.

Class officers were elected: Bob Songer, President; Joe Jinkins, Vice-President; John McKee, Secretary; Bruce Yount, Treasurer, and Mr. Brautigam, Sponsor.

The Sophomores were represented well in all musical organizations. They were found doing their share in Boys' Glee Club, Girls' Glee Club, Orchestra, Band, Operetta, and Baton Twirler's Class.

The Sophomores also shared the Athletic honors with the rest of the school. They saw service on the football field, the basketball floor, the wrestling mat, and the track. In the class tournaments, the girls took first place, and the boys finished third.

We leave them now to be upper classmen in years to come.

The thirty-eight "green" freshmen who entered the school in the fall were soon made to feel at home by the sophomore's welcome in the form of an initiation.

At the first class meeting the following officers were elected: President, Leo Huffman; Vice-President, Margery White; Secretary, Ray Huffman; Treasurer, Dorothy Gilliland.

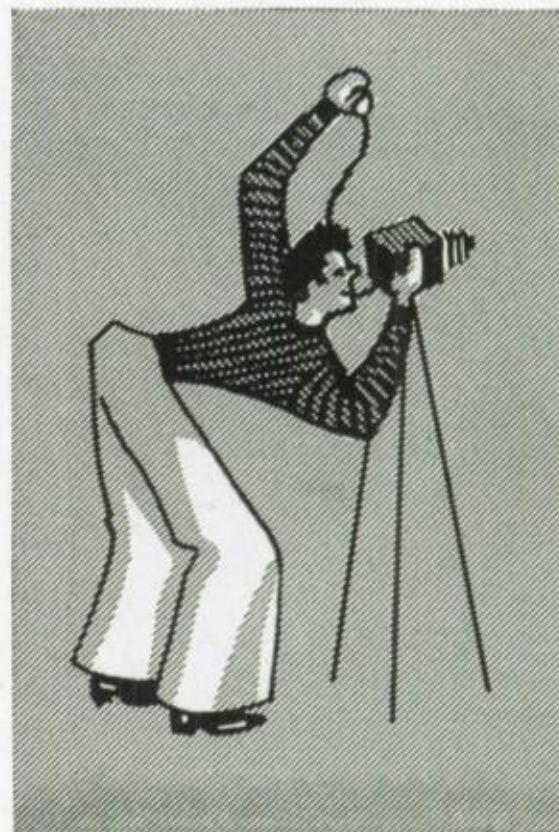

The freshmen were well represented in the activities of the school, taking part in the glee clubs, band, athletics, and the other activities.

The freshmen, as well as the rest of the school, were justly proud of their Corn-Queen, Dorothy Gilliland. The boys made a fine showing in all athletics and many of them were letter winners.

We feel sure that the freshmen will have as good success all through school as they have had this first year.

CAMERA VIEWS OF OUR ACTIVITIES

To give you a photographic view of our activities we must roll out our multa lense high speed camera to keep up with the dizzy whirl of activities that are ever in progress. Though the pace be fast it is the more enjoyable, for we enter only those activities for which our personality and abilities best fit us.

From the shouts of delight in our P. E. classes through the melodious voices of our Glee Clubs to the blood curdling laugh of the villian on the stage, you will see and hear young America at work and at play.

ANNUAL STAFF

With the cooperation of all the students and faculty of C. T. H. S. the Class of '41 is able to publish this fourth edition of the "Catlinean." Mr. Bell is the advisor of the staff; H. Barkman, Editor-in-Chief; L. Ferguson, Art Editor; M. Hawkins, Class Editor; M. Williams, Feature Editor; J. Wall, Sports Editor; J. Mesich, Business Manager; J. Pal, Circulation Manager.

F.F.A.

The F.F.A. boys, under the leadership of Mr. Thomas, held a successful Corn Husking Contest for high school boys. A "Father and Son Banquet", sponsored by the boys, will end another successful year of the Catlin Future Farmers of America.

F.H.A.

Miss Parker, Home Ec. Instructor, organized a club of girls who call themselves the Future Home-makers of America. The girls served hot lunches once a week from

November to March. They had a very successful "Mother and Daughter Banquet" April 2, 1941. A field trip to Mommence concluded a very successful year.

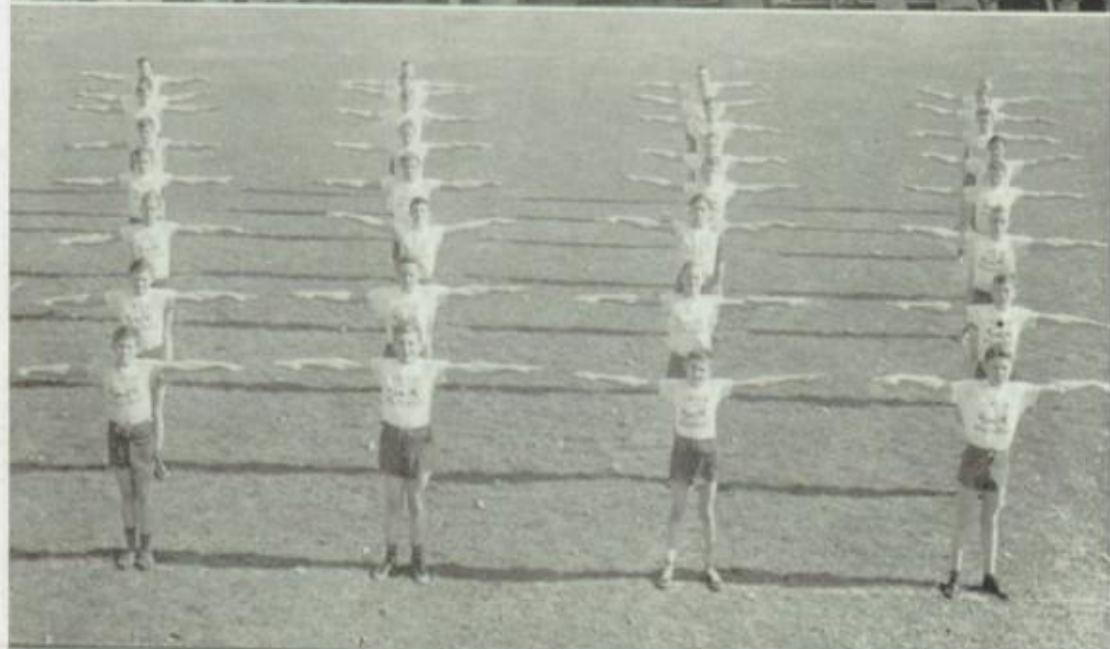

GIRLS' GLEE

The most colorful of all organizations is the girls' Glee Club, consisting of 58 girls with melodious voices harmonizing to some beautiful song. Miss McClure is also their director and they have succeeded greatly. The girls represented themselves well in the Operetta and sang on several occasions. They sang "Walkin' by The River," "Liebestraum," and several other songs in the Spring Festival.

BOYS' GLEE

Most interesting along with other organizations in the school is the boys' Glee Club which consists of 46 members. Miss McClure is their ardent director and the boys have accomplished many things this year. They added color and song to the operetta and were represented in the All-State Chorus by Robert McGee. This is a great honor to be chosen and not only should we give credit to Robert but also Miss McClure.

BOYS' P.E.

The boys' Physical Ed. class, under the direction of Mr. Tedrick, really had a delightful year. All students were required to wear suits alike which added greatly to their

appearance. During the winter the boys practiced several different and difficult gymnastic stunts and put on an act during the intermission of a basketball game.

"GAY"

The Junior Class play, "Gay", was presented December 17 in the high school auditorium. This successful three-act comedy centered around the activities of a normal family in the average small town American home. The cast, headed by Mary Jane Daniels as "Gay", and the remaining cast—Ruth Taylor, Joe Hipple, Lawrence Gilliland, John Kelly, Jeane Jamison, Audrey Gilliland, Mary Mesich, and Frances Parry, presented the comedy which will long be remembered. Laurence Gilliland, as "Bobby", finds John Kelly, as "Dick Royster" the city slicker, to be a thief and proves the rural community to be the foundation of honest, dependable character.

GIRLS' P.E.

With the new blue uniforms this year, the Girls' P. E. Class really shines. As you hear Miss Parker's count of "1, 2, 3" and girls saying "Ouch," "I can't do that" and etc., you know they are taking their calisthenics at the beginning of P. E. period. After marching practice, much time was spent in tumbling and pyramid building. Groups of girls gave exhibitions at the halves of basketball games. Everyone enjoyed softball, volleyball and relays. After the signal for dismissal of class, everyone makes a dash for the shower room in order to get their curls combed out before the bell rings.

LIBRARY STAFF

This year the library has been re-catalogued according to the Dewey Decimal System which is used in libraries in colleges and cities all over the country. At the present time 1,310 books have been taken care of and there are probably 200 more in the building to be done. The fol-

lowing have been doing the work: Madeline Jenkins, June Prather, Lois Hall, and Miss Kehlenbach, as supervisor; Student Librarians are: Jeane Jamison, Kathleen Hicks, Jane Ashby, Nell Jane Burroughs, Alice Freeland, Elizabeth Sandlin, Bob Ashby, and Bob Wall.

SENIOR PLAY

The annual Senior play "Hobgoblin House" was presented in the high School Auditorium on March 28. The play centered around a haunted house and a group of frightened people; with lots of scares and frights. The play cast consisted of 12 people and was under the direction of Helen Kehlenbach.

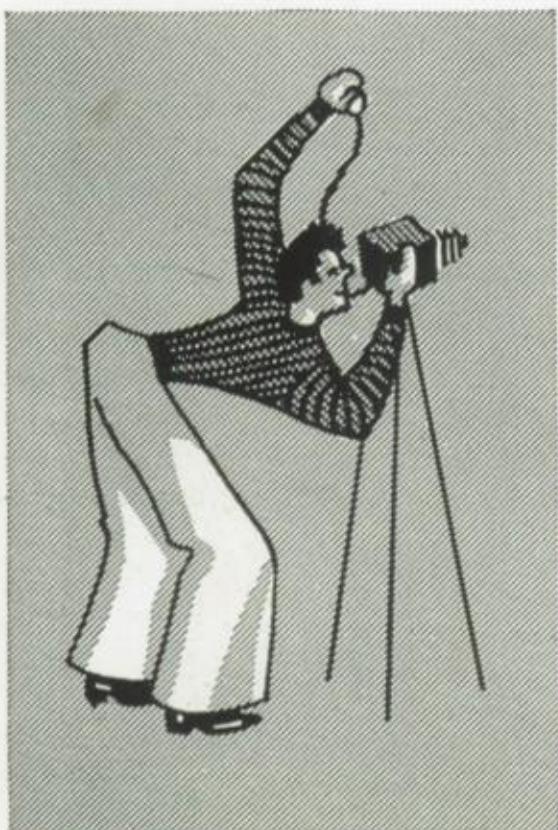

OPERETTA

The operetta was a great success, with Robert McGee and Bonnie Ferguson as leads. The Girls and Boys Glee Clubs added much to its success. Under the direction of Miss McClure, this year's operetta was one of the most successful.

BAND

The band under the direction and leadership of Miss McClure has made many successful appearances this year. They have marched several times in Danville and at the home basketball and football

games. Henrietta Barkman (Drum Majorette) and the two twirlers Ruth Puzey and Mary Mesich have done a lot toward the success of the band. Their new uniforms have added much to the band.

CAMERA HIGHLIGHTS IN SPORTS

That fighting do-or-die spirit that characterizes our athletic teams was in evidence more than ever this season. Cleaner living, harder fighting, more sportsmanship-like teams have never graced our football turf, hardwood court or cinder path. We are more than proud to leave to posterity photographic impressions of what we consider shining examples of American manhood at its best.

FOOTBALL

Our basketball squad was comprised this year of some promising material. The squad was composed of Lee Louck, James Wall, Loren Davis, Kenneth Keller, Dean Carrigan, Frank White, Lawrence Gilliland, Bob Songer, Andy Lindberg, and Bill Carrigan, along with a number of reserves. After a slow start, Catlin, with Louck and Wall pointing the way, won third place in the Oakwood Tournament, and incidentally, a trophy. The team showed general improvement throughout the season and chased many teams all the way to the last minutes of games. Much promising material was developed and Coach Myron Tedrick is to be congratulated on his loyalty to the team.

Letters were awarded to Loren Davis, Jim Wall, Lee Louck, Kenneth Keller, Dean Carrigan, Bob Songer, Frank White, and Lawrence Gilliland. Only three Seniors, Davis, Wall, and Louck, will be missing from next year's team.

W R E S T L I N G

An early spring gave the track and field men an early start on their work this year. Due to the several good reserves that were coming up the boys had to work hard for their positions.

Because of the good team work and hard practice the boys are making a good showing for this year's track team.

The following are Seniors who have worked hard to make the team of 1941 a success: Loren Davis, Ernest Day, and Lee Louck.

T R A C K

Anyone in school interested in sports could try out for the Intramural Tournaments in basketball or ping pong. The girls had a volley ball tournament and the boys a checker tournament also.

These games were held fourth periods, noons, or after school, with Miss Parker and Mr. Tedrick in charge of getting the basketball teams organized. Miss Parker also helped with the girls' volley ball team. Mr. Thomas made arrangements for both boys' and girls' ping pong and checkers tournaments for boys.

Such sports gave the students something to look forward to and were most exciting.

Results of the Intramural Tournament were:

Basketball.....	Sophomore girls Junior boys
Ping Pong (singles).....	Maxine Hopper Donald Holman
Boys (doubles).....	John Mesich and Donald Holman
Volley Ball.....	Junior girls
Checkers.....	Tom White

INTRAMURAL CHAMPS

COMMERCIAL CONTEST

After long practice sessions and competitive intra-school eliminations, followed by more practice and drill, the following commercial teams were sent to the District Commercial Contest held in Metcalf April 19, 1941. With the results shown.

The school as a whole got fourth place out of 18 schools entered. A very creditable showing to say the least. The 90 word short hand, the 110 word short hand teams and Andrew Lindberg in bookkeeping will enter the Sectional Contest at Rantoul April 26, 1941.

SPEECH CONTEST

This contest culminated a period of active interest and preparation on the part of the contestants, all but two of whom were entering this type of work for the first time.

The local elimination contest was held in the Assembly in March. The local winners were:

ORATORICAL DECLAMATION—Ruth Taylor (1st), Edna R. Martin (2nd).

EXTEMPORE—Dewitt Ellinwood (1st).

VERSE READING—Ruth Puzey (1st), Elizabeth Sandlin (2nd).

SERIOUS READING—Pauline Roe (1st), Alice Freeland (2nd), Barbara White (3rd).

COMEDY READING—Darlene Stevens (1st), Winona Jacobs (2nd).

Dewitt Ellinwood placed 2nd in the sub-district which was held at Rankin on April 5, 1941. He went to the District at Fisher on April 19.

Last Will and Testament

We, the members of the 1941 Senior Class of Catlin High School, being of sound mind and good judgment, do hereby publish this document to be the honest and goodness truth—as far as we know.

To, the Board of Education, we leave a school which is the highest in our ranks and may it progress as beautifully as it can—without our help!

To, the Faculty, we will our gratitude for the benefits we have received and we hope we shall be able to fulfill the high ideals they have held before us.

To, Herman Byerly, we sincerely regret leaving the “messy” stage from our play, and in the future when the other Seniors do likewise—remember our example.

To, “Bud” Jones, we leave the memory of our bright and shining faces, with our cheerful “good-mornings”, and may the future Seniors take his teasing as well as we did.

To, the Juniors, we leave our mighty traditions and our cooperative spirit in choosing Class Rings and invitations.

To, the Sophomores, we leave our wonderfully developed brains and our sweet dispositions.

To, the Freshmen, we leave our sophistication and knowledge of “bluffing” the teachers to use and may they prosper with the tack of knowledge we possessed.

I, Henrietta Barkman, will my good looks and my athletic ability to Frances Shuck (who is a little slow in getting started).

I, Jack Carrigan, will my regular snoozes in class and my tack in getting around fast, to John Kelly (who is pretty far along that line).

I, Loren Davis, leave my Audrey to myself and will my curly tresses and sparkling eyes to “Bud” Pate.

I, Ernest Day, will my ability in playing villian parts, even though I am rather timid, to Lawrence Gilliland.

I, William Dowers, will my innocent husky voice and my frequent vacations from school to Earl Prather.

I, Dewitt Ellinwood, will my non-rusting brain to anyone who is lucky enough to acquire it.

I, LaVonne Ferguson, will my innocent giggles and my day dreaming in class to Betty Darr.

I, Mary Hawkins, will my studious ways along with my hours spent in writing long letters to Charles to Miss McClure.

I, Kathleen Hicks, will my diamond to anyone who believes in an early engagement (especially Mary Mesich).

I, Edward Holman, will my wavy hair and my love for a quiet class room to my brother to claim.

I, Louise Kinser, leave my interest across the stateline and my weakness for short fellows to Louise Gentry.

I, Lee Louck, leave my whirling romances and my manly title of “Uncle Spike” to Louie Krusich.

I, John Mesich, will my frequent interruptions in English class and my way with women to anyone who is qualified.

I, George Newton, will my reputation for introducing a course of love to Freshmen girls to Frank White.

I, Joe Pal, will my ability to cause commotion in court and my lengthy stays in the library to Russell Finley.

I, June Prather, leave my quiet disposition and my acting ability to any Junior to use in the future.

I, Paul Taylor, will my original excuses (truthfully given) and my friendliness to the fairer sex to “Flash” Ashby.

I, Robert Taylor, leave my nickname (Geny Mule) to any person who will claim it—be careful it's sensitive.

I, Elsie Turner, will my poetic ability plus my commercial technique to Marjorie Stine.

I, James Wall, will my love for singing in class even though I am at the top of the honor roll to Dean Carrigan.

I, Donald Weaver, will the shy side glances I give girls along with my ability to blush to Jim Fulton.

I, Mary Williams, will my ideals and descriptions of a perfect husband along with my tact in writing long letters to my sister, Jane.

I, Anne Wolfe, leave the memory of the Headless Phantom to haunt my underclassmen.

(Signed) CLASS OF '41.
